4. Para resolver esse exercício é necessário que os alunos revisem as estratégias de leitura (palavra, cognata, leitura de imagens, skimming, scanning, inferência de significado, entre outras). Ele pode revisar o conceito de polissemia.

Anthony diz, no segundo quadrinho, que quebrou o braço em dois lugares, ou seja, em dois pontos do braço. No entanto, a amiga dele entende que ele quebrou o braço em dois lugares diferentes, dois locais.

A amiga dele usou a Second Conditional para falar de uma situação hipotética no presente, visto que ela não é ele. Ela diz que se fosse ele, não voltaria em nenhum desses lugares.

5. Esse exercício também requer o uso das estratégias de leitura e é necessário uma revisão sobre os tempos verbais (Simple Future e Simple Present) e as Yes/No Questions e Information Questions.

Sugestões de respostas:

- a) Because there are black bears in the park. (Observe que a pergunta começou com WHY, assim posso responder com BECAUSE e ir direto na resposta.)
- b) Yes, they do. (Yes/No Question podemos dar respostas curtas ou longas.)
- c) If she sees a bear, she will be scared. (O aluno deve observar que no texto Katie fala e usa o pronome I e no exercício temos uma pergunta sobre Katie :She – 3ª pessoa do singular; logo, o verbo deve ser flexionado.)
- d) Bears won't hurt you, if you leave them alone.

Faz-se necessário mais uma explicação sobre as Conditionals para que os alunos consigam resolver os próximos exercícios. Fale da particularidade do verbo to BE na Second Conditional que a forma WERE é aceita para todas as pessoas e que no inglês informal é também aceito a forma WAS para I / HE / SHE / IT. Esse é um excelente momento para trabalharmos a intencionalidade e o contexto da situação comunicativa.

6. Nesse exercício, os alunos completarão as frases com a Zero Conditional (If + Simple Present + Simple Present) que retrata **situações que frequentemente são consideradas verdadeiras** (fatos) e as que podem tornar-se ou não verdadeiras. Estimule-os a refletirem sobre cada frase.

- a) touch / get
- b) bite / are
- c) are / cry

7. Nesse exercício, os alunos completarão as frases com a First Conditional (If + Simple Present + WILL + verb) e é usada para falar de **situações futuras possíveis/prováveis ou reais**.

- a) goes / will have
- b) get / will look

c) watch / will not sleep

8. Nesse exercício, os alunos completarão as frases com a Second Conditional (If + Simple Past + WOULD + verb) e é utilizada para falar de **situações presentes e/ou futuras impossíveis ou improváveis na realidade** (situações hipotéticas).

a) had / would buy

b) spoke / would have

c) were / would be

9. O objetivo desse exercício é que os alunos terminem as frases usando as Conditionals de maneira correta, verificando a Conditional e o seu uso. Eles podem socializar essas frases no grupo de Whatsapp ou pelas redes sociais.

Sugestões de respostas:

a) If it is sunny tomorrow, I will go to the farm.

b) If you sit in the sun too long, you get sunburned.

c) If I were you, I would call Jane.

d) If I won the lottery, I would travel around the world.
