Read the quotes below and do exercises **1, 2, 3, 4, 5, 6** and **7**.

Text 1

“The strong bond of friendship is not always a balanced equation; friendship is not always about giving and taking in equal shares. Instead, friendship is grounded in a feeling ✓ you know exactly who will be there for you when you need something, no matter what or when.”

(Simon Sinek, 1973-)

Text 2

“Friends can help each other. A true friend is someone ✓ lets you have total freedom to be yourself - and especially to feel. Or, not feel. Whatever you happen to be feeling at the moment is fine with them. That’s what real love amounts to - letting a person be what he really is.”

(Jim Morrison, 1943-1971)
