The background of the slide features a serene landscape. The upper half shows a bright blue sky with wispy white clouds. A horizontal line of white light, likely the sun's reflection, stretches across the middle of the image. Below this line is a vast, deep blue body of water with a textured surface of small ripples.

The background of the slide is a photograph of a vast, calm ocean under a clear sky. On the left side, a bright sun is partially visible, creating a strong, shimmering reflection that stretches across the water's surface. The sky is a deep blue with some wispy white clouds near the horizon. The overall mood is peaceful and expansive.
